“ Mike and Craig, so sorry to hear about your dad. He was a sweetheart! It has been a long time since I saw him last, but I always enjoyed seeing him. He always had a good story to tell and I loved to listen to his soft spoken voice. I also appreciate his kindness to my dad when dad was sick. His visits and bringing the Eucharist to both mom and dad will never be forgotten. You had wonderful parents who raised two wonderful young men they were very proud of. My love and prayers to both of you and your families.

“ To Craig, Mike, Steve and Martha and families,

Tom was one of my very closest friends. We shared many good times going back a long way. I still remember every time I walked in his house Stevie shooting me with a bow and arrow. Luckily it wasn't real. It was always good to have Tom for a bridge partner. What a brilliant mind. Above all else what a genuinely nice man. Will miss him much .My heart and prayers go out to family

“ Dear Mike and Craig:

I'm sorry to hear about your Dad's passing. He was a very nice man with a great sense of humor, and he was always so polite and respectful to everyone he met. I'm glad I had the opportunity to meet him and your Mom during their visits to Florida.

All the best.
